NOTICE OF PROPOSED RULE MAKING

Adopted: July 3, 2002

Released: July 19, 2002

Comment Date: September 9, 2002

Reply Date: September 24, 2002

By the Assistant Chief, Audio Division:

1. The Commission has before it for consideration a Petition for Rule Making filed by Linda Crawford ("Crawford") requesting the allotment of Channel 283C at Balmorhea, Texas. Crawford stated that she would file an application for Channel 283C at Balmorhea if the channel is allotted to the community.

2. We believe the proposal warrants consideration because the proposed allotment could provide a first local FM broadcast service to the community of Balmorhea, Texas. Crawford submits that Balmorhea is an incorporated community with a population of 839 people according to the Texas State Data Center. Crawford also states that Balmorhea has its own local government, post office and city hall, school system, and a volunteer fire department. A staff engineering analysis indicates that Channel 283C can be allotted to Balmorhea consistent with the minimum distance separation requirements of the Commission's Rules provided there is a site restriction 21.7 kilometers (13.5 miles) northeast of the community.¹ Since Balmorhea is located within 320 kilometers of the U.S.-Mexican border, concurrence of the Mexican Government will be requested for the allotment of Channel 283C at Balmorhea.

3. In view of the fact that the proposed allotment could provide a first local service to Balmorhea, Texas, the Commission believes it would serve the public interest to solicit comments on the proposal to allot Channel 283C to Balmorhea. Therefore, we will seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to Balmorhea, Texas.

¹ The coordinates for Channel 283C at Balmorhea are 31-08-42 and 103-36-54.

In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before September 9, 2002, and reply comments on or before September 24, 2002, and are advised to read the Appendix for the proper procedures. 6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in this proceeding.
